{CHORUS}

You can have anything i've got
All of me right on the spot
Da da da da da da da
Da da da da da
You can have anything i own
Work my fingers all the way to the bone
Da da da da da da da
Da da da da da

Verse 1:

Now baby i don't wanna be fictitious,
Saying i can get you anything is ridiculous
But anything you ask
That's anywhere near my grasp, it's yours
Now i don't got fancy cars or diamond rings
Lord nows i will if i make it with this singing thing
Hold on , have faith in me
Cause anything i have is yours

Chorus:

You can have anything i've got
All of me right on the spot
Da da da da da da da
Da da da da da
You can have anything i own
Work my fingers all the way to the bone
Da da da da da da da
Da da da da da

Verse 2:

Girl i know you want a roll in a lexus
A lexus with a mansion down in texas
Its more like apartment range
Cellular is prepaid
But baby it's all ok
I can't do all the things i wanna do
But i can love you, and i can stay true

I'll give you my last dime
Spend all my time
It's yours whatever is mine, anything you want

Verse 3:

Now i don't have no LS to drive
But i'm a man with a whole lot of plans and a lot of love
inside
Just believe and pray hold on to me and say you'll stay
I can't handle you leaving me
Just dream, dream with jaheim
I'll work over time anytime
Just to give you piece of mind
Please just believe, everything and anything
All of me, baby, baby, baby, baby
Baby you can have....

All...

Baby girl when times get ruff you can call...

Anything i own...

I'll work my finger to the bone....

Alright...

You can have anything..

Anything you want anything you need anything i have
baby girl just ask..
