[Verse 1]

Sitting here with carats in your ears, mink on your back,  
your bank account  
Stacked  
You deserve everything you got cause you held me  
down when things got hot on  
The block  
Looking back I remember the days when shit got thick  
you were the first to say  
"Baby keep your head up, it will be ok"  
You're better off without that kind of bad ass nigga  
anyway

[Chorus:]

It's on tonight Cash up in the dash and I'm feelin right  
Got heat up in the seat just in case of beef  
For anyone who wanna come test me and my baby  
Honey don't be afraid See this cat ridin in that Escalade  
Plotting on my riches yeah he will get slayed  
Messin 'round with me and my lady, me and my bitch

[Verse 2]

You're a dream you're my ghetto queen If I ain't got  
nobody else I know I got  
You on my team  
So I knock, get the cake, cop the rocks, meet your pops  
then move your whole  
Family off the block  
Still niggas talking this and that Jah don't how to treat  
you don't know how to  
Act You're a good girl you deserve better than that  
when in fact accounts are  
Major got your name attached

[Chorus]

[Bridge:]

It's on tonight do what you like  
Whatever's wrong I'll make it right  
Got your back count on that  
Whatever you need I'm down for you cause

You're on my team you're my everything  
Your doe gettin low girl I gots to pay  
So tonight it's all on you so won't you let your  
Boy know what you trying to do

[Chorus]
