Hmm hmhhh
Yeeeah yeaah aaah
No no no, no no,
No no nooh
No no no noo yeah yeh

Every time I stop and make a look back as I reflect on
my life, my life
Every time I stop and make a look back at the struggles
in my life, my life
In my life I've seen many things
In my life I've seen paupers turn to kings
Some people come and go
Yet their memories never fade
Not everybody knows, that the good things that you do,
will be remembered for
Remembered for

I've seen it all
The rising and the falling of many kings
And the bird that tries to fly away with broken wings
Yeah yeah
I've seen it all
And wicked people stand aside and do their thing
I pray to Jah, meditate and strum my guitar strings
Woo ooh woow yeaah

Every time I stop and make a look back as I reflect on
my life, my life
Every time I stop and make a look back at the struggles
in my life
Some live inna glass house and still dem a mass out

Some have it all watching us fall still dem a floss out

I've seen it all, the rising and the falling, many kings
yeah
Bird that tries to fly away with broken wings
Seen it all
I've seen it all
I've seen it all
While the wicked people stand aside and do their thing

Pray to Jah and meditate and strum back my guitar strings

Oh na na na nooo naah
Na na na nooo, na na na nooo
Na na na nooo yeaah
Na na na wooie
Na na na naae
Oh yeaah

My life, I've seen many things
My life, I've seen paupers turn to kings
Some people come and go yet their memories never fade
Not every body knows that the good you do, you'll be remembered for
Remembered for
Remembered for yeah
Remembered for
Ohhhh ohh
Remembered for
In my life
Oh in my life
(I love you, the world, something special, love yuh Jah)
