Behind these prison walls  
Doing my paces, doing my time  
I am spendin' my restless nights  
Visioning faces, oh they all cry, cry

Prison a no bed a roses  
De levity it makes me bawl  
I wish that Jah could come  
And take us back in time

But I swear, that I could be a betta man  
Yes, I swear, if only you could understand  
The faith in me shall set me free, reflections  
The faith in me shall set me free, reflections

Behind these metal bars to Jah Jah, I'm chanting  
"Pray for your love divine"  
I'm oh so sorry a man, deeply I'm hurting  
The price ordained to be mine

Impossible to see the changes  
That I've made in my life  
All they see is just the boy  
They left behind

And I swear, that I could be a betta man  
Yes, I swear, if only you could understand  
The faith in me shall set me free, reflections  
The faith in me shall set me free, reflections

Don't judge me wrong  
'Cause now I'm stronger than I was before  
I was young and unwise  
Didn't you hear my cry

Impossible to see the changes  
That I've made in ma life  
All they see is just the boy  
I left behind

'Cause I swear, I could be a betta man  
Yes, I swear, if only you could understand

I swear, I could be a betta man  
Yes, I swear, if only you could understand

The faith in me shall set me free, reflections  
The faith in me shall set me free, reflections  
The faith in me shall set me free, reflections
