You never see it coming
and the next thing you know
unconditional love
unconditional love
she aint lookin for no diamonds
and digging for no gold
just somebody to love
unconditional love
woah

First of january
said you startin over
your hearts been in remission
makin a new beginning
and its been six months since you got sober
taking a new position
to make better decision

Then you head to the corner store
and forget what you went for
just as soon as he says hello.. hello..

You never see it coming then the next thing you know
unconditional love
unconditional love
she aint lookin for no diamonds
and digging for no gold
just somebody to love
unconditional love
woah

You never see it coming
and the next thing you know
unconditional love
unconditional love
she aint looking for no diamonds
and digging for no gold
just somebody to love
unconditional love
woah

The fourteenth of February

got a cold shoulder
from someone so unexpected
you left your heart unprotected
yeah
then you built a china wall
guard it like a soldier
people would call your phone
you act like nobody's home

And I went to the corner store
and I forgot what i went for
just as soon as you said hello
helllooo

I never saw it coming
and the next thing I know
unconditional love
unconditional love

I aint looking for no diamonds
and digging for no gold
just somebody to love
unconditional love

You never see it coming
and the next thing you know
unconditional love
unconditional love

I aint looking for no diamonds
and digging for no gold
just somebody to love
unconditional love
woah

be my baby
my one and only
te amo
mi amor
