Yeah yeah yeah yeees.  
Uprise and shine Jah children

Greediness is a instinct of  
Man they say  
Revenge with love instead of  
Agony  
Inna society of total human isolation  
It is the positive vibes we  
Have spread across the nation

Uprise and shine feel the day of  
Liberty  
Come a come we overcome this  
Ya slavery  
Uprise and shine feel the day of liberty  
Come a come we overcome this  
Ya slavery

Children don't lose your symphaty  
Revenge with love instead of agony  
Wolves in sheep clothing are amongst humanity  
Where is mankind going inna jungle of hypocrisy

Uprise and shine feel the day of  
Liberty  
Come a come we overcome this  
Ya slavery  
Uprise and shine feel the day of  
Liberty  
Come a come we overcome this  
Ya slavery

But if you think blasphemerie  
Is an illusion in these days  
You will come to know that the devil play a game  
Of his own ways  
Don't let the wolves steal your heart and soul  
Lead you astray and keep you from knowing so

Uprise and shine feel the day of

Liberty  
Come a come we overcome this  
Ya slavery  
Uprise and shine feel the day of  
Liberty  
Come a come we overcome this  
Ya slavery  
Uprise and shine feel the day of  
Liberty  
Come a come we overcome this  
Ya slavery  
Slaveryyy(this ya slavery)  
A this ya slavery, a this ya slavery  
(this ya slavery)  
A this ya slaveryyyyyy  
Slaveryyy
