Featuring Miss Jones

[Jaheim]

Yeah, uh, oh yeah

Sit right here girl let me talk to you

'Bout some thing's that we've been going through

Let's do whatever girl and make it last

We've gotta take our time we can't move to fast

Now I'm not the type of cat to hit and run (oh no)

Girl I swear that you're the only one

But what I am girl is a lovin' man

While love is just wanna smack and smash that ass

Kick it fast

1- [Miss Jones] (Jaheim) One, two what you wanna do?

(Ain't even gon' front girl I wanna tear it up now)

Two, three tell me what's it gonna be? You ain't gonna get

No peppey so you better keep watchin' t.v.

Look at you tryna play me like I'm loose

(Girl you've got it twisted I'm here waitin' on you (waitin' on you) Waitin' on you, girl you must be trippin' I'm here waitin' on you)

[Jaheim]

Baby girl you know I'm stuck on you

And I'll do just what you want me to

Whatever it is I aim to please. For your love

Get on my knees.

I wanna touch you right here

Kiss you right there

However you want it baby

I don't care

But if the night's not right

Then that's okay I love you anyway

Your Jaja's here to stay

Repeat 1 (2x)

[Jaheim]

After all this time

I've been with you baby
Do you wanna act up, stop talkin' slick
You talkin' crazy (Crazy)
You know you mean the world to me
Out of all the places in this world
There's not one place I'd rather be
So stop actin'' like you wanna be alone
If you felt that way we would of never fallen
And if the night's not right, then
That's okay I love you anyway
Your Jaja's here to stay

Repeat 1 til' fade
