Ah woo woo woohooah yeah yeah oh yeah yeah yeah
yeah yeah yeah

Verse 1

The gideon start again, they are the cause for rising up
on us so high
It's not my fault my friends, they are the ones
responsible, just ask them 'WHY?'
Are we gonna bare the consequence when they don't
care from those who live from those who die?
It really makes no sense fighting for the reason to build
up them fence so high, yeah yeah yeah oh Lord

Chorus

Who is gonna fight again
When the revolution is at time my friend?
Who is gonna fight again
When there's no way to run? yeah yeah (2x)

Verse 2

We're living in this world of confusing, where my
people living in illusion
It seems like they can't understand and I quote
meditation
Said who of eyes still, still see that Mount Zion where I'll
be, giving thanks and praise to the Most High King
And King shall I see, Yeah

Chorus

Who is gonna fight again
When the revolution is at time my friend?
Who is gonna fight again
When there's no way to run? yeah yeah (2x)

Verse 3

Ow ow ow ow ow ow
I'm uh rebel with uh cause

Just because I'm a soldier (said I'm a soldier)
Fighting for my people as time grow older (as time
grow older)
He's the Kings of Kings
He's the Lords of Lords
Government shall be at His shoulders, Yeah

Bridge

Who is gonna fight for Freedom, yeah
So rise my people rise (rise my people rise)
And open up your eyes (open up your eyes)
It got no time to compromise (time to compromise)
And just be wise my people wise (be wise my people
wise)
And just rise my people rise (rise my people rise)
And just be wise my people wise (be wise my people
wise)

Chorus

Who is gonna fight again
When the revolution is at time my friend?
Who is gonna fight again
When there's no way to run? yeah yeah
Who is gonna fight again
When the revolution is at time my friend?
Who is gonna fight again
When there's no way to run? yeah yeah
Who is gonna fight again
When the revolution is at time my friend?
Said Who is gonna fight again
Said who is gonna fight again, who is gonna fight
Said who is gonna fight again,
When the revolution is at time my friend?
Said Who is gonna fight again
Said who is gonna fight again, who is gonna fight
Said who is gonna fight again,
When the revolution is at time my friend?
Said Who is gonna fight (fade away)
