Do you know
Your love lady I can still remember
You opened the door
It was your love to which I had to surrender

TruthÂ...Â...

And I don't know, don't know what to say
When you left me just that other day I felt lonely
And I don't know but I've got to go
Far away from you

I'll be waiting, waiting for that day
Searching for the truth

Do you know
I saw ya vision passing by like a blaze of fire
Do you know
That when I see your face your beauty takes me higher

TruthÂ.....
