My Senses running wild
From what I feel I just can't hide
Wanna be pure and clean like a child
In meditation reach a higher heightÂ.....higher height

Just like a tree I need water to grow
I'm like the sea when tide is high or lowÂ...high or low

Will I ever know this feeling
Could I ever have this feeling
I can't wait, don't be afraid
Gotta be brave
Gotta have faith

When everything is so confusedÂ...Â...so confused
Seriousness so amusedÂ.....so amused
I got nothing to lose on
Got nothing to choose from

I can't waitÂ.....

Chorus

Be mercyfull and forgive
Cause nobody perfect
Righteousness begins in your own heart
The root of all your sins
