Oh I was made for this
To know your tender kiss to know this love is mine
To know this love is ours
And I was made to laugh
I was made to sing
Giving the gift of life
You gave me everything
My feet were made to dance
My spirit made to soar
My life is not by chance
You give me more and more
And I was made to laugh
I was made to sing
And all that stole my joy
I left it at the cross

[Chorus:]
This one na my heritage
This one na my culture
This one na my tradition
I go follow Jesus
I go carry the gospel well well
I go carry Jesus higher higher
E mercies no dey cease
E love no dey die

For a very long time
I've come to know
I am from another country
For a very long time
I've come to know
I am from another nation
My name is Jahdiel
I come from zion
I'm representing the most high on Earth
I speak in tongues
I heal the sick
By the power of Jesus in me
This is the way of life
This is the thing I do
Am a christian
I am for the lord

[Chorus:]

This one na my heritage
This one na my culture
This one na my tradition
I go follow Jesus
I go carry the gospel well well
I go carry Jesus higher higher
E mercies no dey cease
E love no dey die

[Repeat 1st Verse]

[Chorus:]

This one na my heritage
This one na my culture
This one na my tradition
I go follow Jesus
I go carry the gospel well well
I go carry Jesus higher higher
E mercies no dey cease
E love no dey die
This one na my heritage
This one na my culture
This na my tradition
I go follow Jesus
I carry the gospel well well
I go carry Jesus higher higher
E mercies no dey cease
E love no dey die...
