Now what is it is what it's gonna be  
No, I can't call it  
All I know is I had to step up  
Step up  
Speed it up, cut the chase  
Go in for first base  
Before them other cats try to get ya, get ya  
You're moving them hips  
Killing me with every dip, girl  
You about to get a tip do it girl  
Once it goes down and you turned me down  
But, this time around, I got it shorty  
Hey, how you doin'?  
Baby what you getting into?  
I don't know what your name is  
Or who your gamin'  
But, I ain't leaving without you  
Hey girl how you doin'?  
I never seen nothing, like you-like you  
With a body, that shape  
It's your claim to fame  
And girl, I ain't leavin' without you. No.  
Doo-doo-doo-doo-doo, boo, boo doo doo doo whoo!  
I want your body  
Your bod, your bod, your bod, your bod, your body  
Oh, What ya drink?  
What you sip?  
I got the next round  
Martini and goose, now  
Tell me what's up, what's up  
The conversation my eyes  
Is havin' with your thighs  
Don't get me at a lie  
They better shut up, shut up  
You're movin' them hips  
Killing me with every dip, girl  
You about to get a tip do it now  
The worse that goes down is you turn me down  
You're feelin' your boy now  
So I got it shorty  
Hey, how you doin'?  
Baby what you getting into?

I don't know what your name is  
Or who your gamin'  
But, I ain't leaving without you  
Hey girl how you doin'?  
I never seen nothing, like you  
'Cause a body, that shape  
It's your claim to fame  
And girl, I ain't leavin' without you. No.  
Doo-doo-doo-doo-doo, boo, boo doo doo doo whoo!  
I want your body  
Your bod, your bod, your bod, your bod, your body

Doo-doo-doo-oh yeah, doo, doo doo doo doo hey, hey  
I want your body, your body, your bod, your bod, your  
bod, your body  
How you snub me, think your love was with your love  
Love to get to know you better  
Let's go somewhere, anywhere  
I don't care  
Long as we can ride together  
One more sip  
Watch your lips  
We can dip  
I'll slip that tip to valet  
You're always up full halogen  
Yep, yep, she modeling  
I just had to say, Heyyyyy, heyyyyy  
Hey, how you doin'?  
Baby what you getting into-baby what you getting' into?  
I don't know what your name is  
Or who your gamin'  
But, I ain't leaving without you  
Hey girl how you doin'?  
How you doin'?  
I never seen nothing, like you  
'Cause a body, that shape  
Is your claim to fame  
No, I ain't leavin' without you. Oohh  
Hey baby what's that in your cup?  
You need to let me fill that up  
You know I'm tryin to see what's up with you  
Eh. And I ain't thinkin 'bout your man  
He shoulda had you by the hand  
'Cause I'm your number one fan  
Hey how you doin?  
Hey how you doin?
