I hear you voice inside my head, everywhere
Oh, yeah, clear as day inside my head everywhere

It's killing me softly with every heartbeat
Thinking you can't see
How your son's living
(Hey, Mama)

Is there an address up in heaven?
I feel like dropping you this letter
But it will be 'Return to sender'

How I wish I could bring you home
Flowers on tombstones
Lets me know it's been too long
Since I've been in those arms
(Yours Mama)

It's getting colder every winter
I can't take the heat in summer
Can't hardly deal with all this drama but

(Just when)
I'm inches away from losing my mind
(That's when)
I swear sometimes

(I hear your voice inside my head)
And it feels like you're
(Everywhere)
Everywhere
(Everywhere I am)

Just when
(Just when)
The walls are closing in on my world
(That's when)
I see my favorite girl

(Clear as day inside my head)
And it's obvious you're
(Everywhere)

Everywhere
(Everywhere I am)

Was that you saying, just keep on praying
You'll see the day when it'll be worth the waiting
(Hey, mama)

I think I've received your message
Think how I'm receiving blessings
Finally got the platinum record

Did you see me on Soul Train?
Dedicated the whole thing
To your memory just hoping
You're out there and knowing
(Yeah, mama)

You were floating on stage with me
Someone said they saw me glistening
Gotta let you know I'm listening to you

Just when
(Just when)
It's the most important time of my life
(That's when)
That's when I swear sometimes

(I hear your voice inside my head)
And it feels like you're
(Everywhere)
You're everywhere
(Everywhere I am)
Everywhere I am

(Just when)
Just when the heavens open up on the world
(That's when)
I see my favorite girl, Julie

(Clear as day inside my head)
It's so obvious you're everywhere
You're everywhere
(Everywhere I am)
Everywhere I am

If God is in the spirit world talking to my heart
Then for an angel I know it can't be hard
You are my guardian and I know
You're still playing your part
(I know you are)

Just on the other side but always in my life
No need to just believe, smile, I know you're here with
me
And I'm reaching out my hand and to the promise land
To feel your presence when I need strength

Everywhere I am, everywhere I am
(I know that you're watching)
Everywhere I am, everywhere I am
(I know that you're watching over us, yeah)

Everywhere I am, everywhere I am
Everywhere I am
(Mama, I know, yeah, yeah)

Everywhere I am, everywhere I am
(Where I am)
(You're watching me)
Everywhere I am, everywhere I am
(Where I am)
(I can feel it in my soul)

Everywhere
(Where I am)
(Everywhere)
Everywhere
(Where I am)
(Everywhere, yeah)

Everywhere that I am
(Where I am)
(I know you're there, yeah, yeah)

Just when
(Just when I'm inches away from losing my mind)
That's when
(I hear your)

I hear a voice inside my head
(I hear your voice)
Everywhere, everywhere I am
(Julie, Julie, Julie, Julie, Julie I love you, Julie we miss you)

Just when
(Julie we still got love for you, baby)
That's when
(Just, just, just when I hear your voice)

Clear as day inside my head
(I really don't know what to do)
Everywhere

(Sometimes I just put)

Everywhere I am
(Oh, I put my hands up)

I'll give it all up for ya mama
Just when I go back to church
All your friends are talkin' 'bout ya'
Talkin' about how much I look just like you
