You, alright alright
Ive been Ive been
Yeah Yeah Yeah Yeah Yeah

Ten after eight Im runnin late
I jumped in my ride headed down the west side
I picked up the phone is my shorty home
See I saw you in the club last nite
and you were lookin rather fine
your fine as wine you blew my mind
and i was hopin that we'd get together tonight
girl i really dont wanna sound conceited
but Im the type of guy you need to be with

chorus:
Ive been
Lookin for love in all the wrong places
Been around seen alot of pretty faces
But I know that Im the one for you
Only lyin I would to is in bed with you 'cause
Girl you got me feenin
You gotta a brotha feenin
and baby you know what Im needin, baby you know
Girl I hope that you are soon to see
That you and I were meant to be baby

Now here we are flossin in my whip
Things are gettin heated time I get a grip
I cant play myself wont lose my cool
See I refuse to let you down
Like those other fools did
I only wanna give you what youre missin
Good lovin when you want it is what Im givin baby Now
if its cool with you
Its alright with me
Lets take this back to the way love's supposed to be

(chorus)

Got what you want I got what you need
Been lookin for somebody to put down on my team
Baby girl you got me flippin out

So full of drama wont you tell what its all about
I'll put in time to make you mine
Coulda bounced on you girl
but your ass is too fine
Never thought that Id be lovin you
Got me feenin girl Im stuck on you

(chorus)2x
