Sitting here with carats in your ears
Mink on your back, your bank account stacked
You deserve everything you got
'Cause you held me down, when things got hot on the
block

Looking back, I remember the days
When shit got thick, you were the first to say
Baby keep your head up, it will be okay
You're better off, without that kind of bad ass nigga,
anyway

It's on tonight, cash up in the dash, and I'm feelin' right
Got heat up in the seat, just in case of beef
For anyone, who wanna come test me and my baby

Honey don't be afraid, see this cat ridin' in that
Escalade
Plotting on my riches, yeah he will get slayed
Messin' 'round with me and my lady, me and my b*tch

You're a dream, you're my ghetto queen
If I ain't got nobody else, I know, I got you on my team
So I knock, get the cake, cop the rocks
Meet your pops then move your whole family off the
block

Still niggas talking this and that
Jah, don't how to treat, you don't know how to act
You're a good girl you deserve better than that
When in fact accounts are major got your name
attached

It's on tonight, cash up in the dash, and I'm feelin' right
Got heat up in the seat, just in case of beef
For anyone, who wanna come test me and my baby

Honey don't be afraid, see this cat ridin' in that
Escalade
Plotting on my riches, yeah he will get slayed
Messin' 'round with me and my lady, me and my b*tch

It's on tonight, do what you like
Whatever's wrong, I'll make it right
Got your back count on that
Whatever you need, I'm down for you cause

You're on my team, you're my everything
Your doe gettin' low girl, I got to pay
So tonight, it's all on you, so won't you let your
Boy know, what you trying to do

It's on tonight, cash up in the dash, and I'm feelin' right
Got heat up in the seat, just in case of beef
For anyone, who wanna come test me and my baby

Honey don't be afraid, see this cat ridin' in that
Escalade
Plotting on my riches, yeah he will get slayed
Messin' 'round with me and my lady, me and my b*tch
