Baby Im ready and willing cause Im able to satisfy your
fantasy

Baby Im able and willing cause I want it, you can get
just want you need

For one Im a young man and I'm taking the time to do
things right

Keeping you satisfy all through the night

Twice I let your slide

I just went for the ride

And I didn't put pressure on you

And I stood by your side

I just want let you know that Im ready

To do all the thing you want me too

Yes Im baby

And if you don't mind baby lets take it easy tonight

Lets slow it down to my pace

Loving all up in your face

Baby cause Im ready and willing cause Im able to
satisfy your fantasy

(I want to satisfy you baby)

Baby Im able and Im willing cause I want it

You can get just want you need (Oh yeah)

Now wait a minute baby slow it down to my speed
(slow)

haven't I always given you everything you need

But now it's time girl to lay it all on the line

I don't want get fast with you baby

I spent too much time

Just try to get to know you better

Sent you flowers with a loving letter

Take you out to dance

All of that romance

Did the things you like

Stood right by your side

If you want to make it right girl

Just let me inside your world

I will never let go

I want to show you all that I have in store

Baby Im ready and willing cause Im able to satisfy your
fantasy
Baby Im able and willing cause I want it, cause you can
get just want you need
Jah Jah got it Baby

Im laying here
Waiting my dear, you get what you want you want every
time you need it when every your ready baby

Im laying here
Waiting my dear to you give you want you want every
time you need it when every your ready baby

All you have to do is take my hand, take my hand
