Whoa, I think I'm losin' it  
Without you, the harder it gets  
Being without your smile  
(Without your touch)

Sure enough this is love that I'm feelin'  
In every way I need your healin'  
Only you can give me that feelin'  
Girl, you just don't know how I'm dealin'

With being so far away  
I'm anticipatin' everyday  
I'm seeing you again  
My homie, lover, friend  
Always holdin' me down  
Through the thick and thin

And I'm grateful  
I gets on my knees and say thank you  
For the song you put inside me  
And it's such, the sweetest melody  
And it goes somethin' like

Whoa  
(The one and my only love)  
Shorty got me singin'  
With the love she bringin'  
She got my melody

So I'm like whoa  
(My love)  
Don't ever take it away  
'Cause I need your love everyday

So I'm like whoa  
(My love)  
My shorty got my singin'  
With the love she bringin'  
I can hear it here it go, my love

(Like a drug)  
To an addict

That body for sure I gots to have it  
(Somethin' like an angel in disguise)  
Baby, you're the baddest thing in my eyes

(The first thing I do)  
As soon as I get home  
Is call my darling baby  
On the telephone

('Cause I can't get comfortable)  
'Til I know she fine  
I treat her like a diamond  
'Cause the girl is mine

Shorty knows she got my heart  
(And I can't stand to be apart)  
'Cause it hurts me so  
(You can hear it down)  
Deep in my soul

Whoa  
(The one and my only love)  
Shorty got me singin'  
With the love she bringin'  
Like to hear it go

So I'm like whoa  
(My love)  
Don't ever take it away  
Need it, like it everyday

So I'm like whoa  
(My love)

I can hear weddin' bells, they're ringin'  
See your ring finger blingin'  
We singin', whoa, let's go  
Get your licensed changed  
Change your last name to my last name

When you come around, I'm like whoa  
When we get down your  
Like, whoa, love, slow flow  
I found love on the perfect note  
Wanna hear me go

Whoa  
(The one and my only love)  
My Shorty got me singin'  
With the love she bringin'  
Like to hear it go

So I'm like whoa  
(My love)  
Don't ever take it away  
I need your love  
'Cause you make my body go

Whoa  
(The one and my only love)  
My baby got my body straight singin'  
Like to hear it go so I'm like

Whoa, whoa, whoa, whoa  
Whoa, whoa, whoa, whoa, whoa  
I need her in the mornin'  
I need her in the noontime  
Late at night
