*chorus

forever
the love i have for you
will last forever
loving you always
forever
my love for you wont change
cus' loving you is the best thing i can do

looking back on the times before you came
my life has changed
no more sleepless nights
or lonely days
their just apart of my yesterday
for you i prayed

*chorus

forever
the love i have for you
will last forever
loving you always
forever
my love for you wont change
girl loving you is the best thing i can do

you have taught me
and you have shown me
how to love again
(yes you did) you are my best friend
so now i am feeling so secure
gonna make sure that this love lasts forever
we will win x 2

*chorus

soooooo
forever
the love i have for you
will last forever
loving you always
forever

my love for you wont change
cus' loving you is the best thing i can do

oh love... oh love....

im gonna give you everything you need
as long as i breathe forever

for love... forever.....
