[Verse 1:]

I used to be the kind of brother,
They thought I would never slow down.
I used to swear that I don't even care what happens but
baby rite now,
(I see that)
You changed my mind
(I mean that)
And it took some time
But now I understand, I can be a better man
I never had a chance to meet a lover quite like you
You revealed another part of me, girl you love is trivin
true

[Chorus:]

Never
Will I break your heart
Never
Will we ever part
Never
Can't believe I used to say it, I used to say
Never
Will I love this way
Never
Gave my heart away
Never would this player hang his jersey up and leave
the game
Never would of thought in a million years, I would be
here
That's why I say
Never
Would I know the truth
Never
Would I know that you would come into my life and
make everything new (oh)
Never would of thought that I would take your hand,
girl I swear
I would never, never, never, never, never say never
again (again, again)
Ba-by, ba-by, ba-by, ba-by, ba-by, ba-by, ba-by, baby
Ba-by, ba-by, ba-by, ba-by, ba-by, ba-by, ba-by

[Verse 2:]

There aint no question that I love you
I know we've had our ups and downs
But through the tears I know there is nowhere, I could
say I'd rather be now
(I see that)
Your my shining star
(I mean that)
Girl you got my heart and now I hold you here cuz you
made me a stronger man
I wish that I could place the whole world in front of you
But a man is just a man, so baby heres my vow to you
Babe

[Chorus:]

Never
Will I break your heart
Never
Will we ever part
Never
Can't believe I used to say it, I used to say
Never
Will I love this way
Never
Gave my heart away
Never would this player hang his jersey up and leave
the game
Never would of thought in a million years, I would be
here
And that's why I say
Never
Had I known the truth
Never
Would I know that you would come into my life and
make everything new (oh)
Never would of thought that I'd take your hand, girl I
swear
I would never, never, never, never, never say never

[Verse 3:]

From the day you came along
I sung a brand new song
Cuz I know you made it clear to see
That you're a special part of me
Before I had no clue I was lost till I found you
Baby, and I wanna make your heart understand
I'm proud to be your man
And I'm bout to stay forever
I can't believe that I use to say

[Chorus:]

Never
Will I love this way
Never
Gave my heart away
Never would this player hang his jersey up and leave
the game
Never, o, no, no, never
No, no-no, no, no, no
I would never, never, never, never, never say never
again
