[Jahiem]

Breakfast when you wake,
along with the candle on a cupcake that I baked,
catering you is much of my oblige,
instead of stress and mirage,
you're the beat to my heart,
here's a rose with no thorns on the stem, you're a gem,
you're the reason why I've, found 100 ways to,
adore you 3 times a day, morning noon and night,
it's for you

[Chorus]

Today's a special day for you,
these are a few, (these are a few, these are a few)
things I'd like to do for you,
today's a special day for you,
these are a few, (these are a few, these are a few)
things I'd like to share with you

[Jahiem]

I'm a fool for love today, honest I'll do,
anything you need me to, uh huh,
from sun rise to sun set on this ordinary day,
you can have it all your way,
that's my job, you're a heart throb,
love's the reason why I got it, set you before me,
so we can see what it's like, morning noon and night,
it's for you

[Chorus]

Today's a special day for you,
these are a few, (these are a few, these are a few)
things I'd like to do for you, (would you like that, yea)
today's a special day for you,
these are a few, (these are a few, these are a few)
things I'd like to share with you

[Jahiem]

It doesn't matter what the weather is, oh no
from this point on I'll share with you the break of
spring,
an angel kissed the day we fell in love, oh

so to you, the sweetness of, oh dear my life, just in
case, oh yea yea yea

[Chorus till fade]

[Jaheim] would you like that?

[Woman] yea that's cool

[Jaheim] what you wanna do babe?

[Jaheim] I don't know

[Jaheim] think about it

[Woman] I'm thinking

[Jaheim] think about it, oooh

[Woman] I'm thinking

[Jaheim] Ooooh, I'm a fool for love today,
honest I, honest I, honest I, honest I'll do,
anything you want me to, special day for you.
