Intro[*talking*])

Yo

Can I talk to you for a minute?

Look, all I did was look

Why you trippin'?

Look, check this out

Check it

(Verse 1)

Baby look, Iâ€™m tied up tryinâ€™

To convince you that I aint caught up lyinâ€™

When she walked past me I looked, so what, big deal

I donâ€™t understand how that can make you feel

That my love ainâ€™t for real

Every day I thank the lord above that youâ€™re with me

Tell me why would I throw that away

What can I do to prove, that this is where I wanna be

So I may look occasionally

Youâ€™re the only one I need

(Chorus)

If I wanted (that girl)

Then I would be with (that girl)

But that one ainâ€™t for me

Sheâ€™s fine as hell

But sheâ€™ll always be (that girl)

Nothinâ€™ more than (that girl)

No matter what she do

She donâ€™tâ€™ compare to you

(Verse 2)

What you yellinâ€™ for, why you screaminâ€™

Girl you act as if you just caught me cheatinâ€™

When you look at other men, and donâ€™t act like you
donâ€™t

I donâ€™tâ€™ trip because I know that Iâ€™m the guy

That you come home to every night

Every day I thank the lord above that youâ€™re with me

Tell me why would I throw that away

What can I do to prove, that this is where I wanna be

So I may look occasionally
You're the only one I need

(Chorus)

If I wanted (that girl)
Then I would be with (that girl)
But that one ain't for me
She's fine as hell
But she'll always be (that girl)
Nothin' more than (that girl)
No matter what she do
She don't compare to you

(Verse 3)

I know I need you right here with me
Your why, know I need you
No other girl will do, 'cuz I need you
Right here with me, know I need you

(Chorus)

That Girl
Then I would be with (that girl)
But that one ain't for me (hey)
She's fine as hell
But she'll always be (that girl)
And nothin' more than (that girl)
No matter what she do
She don't compare to you

(Chorus)

All I'm sayin' if I wanted (that girl)
Then I would be with (that girl)
But that one ain't for me
She's fine as hell
But she'll always be (that girl)
Nothin' more than (that girl)
No matter what she do
She don't compare to you

(Chorus)

If I wanted (that girl)
Then I would be with (that girl)
But that one ain't for me
She's fine as hell
But she'll always be (that girl)
Nothin' more than (that girl)
No matter what she do
She just can't be you, baby
