Is the life and I ain't trippin ' ,
,Tom take it easy is the damn ,
That always niggers .. that they became clever,
..purple and it's easy and it never... in the cow,
'cause ,on my drowse
L.A nights in the Arizona cows,
I'm never ever let this dream fall,
So I wake up in the morning
I go straight up to the paper
,my favorite bands,
Gor me feelin' like in ..,
'cause I ground, ground no greater,
unless you talk about my .. no greater,
how sky ,chillin' no ..,
with a couple bad b*tches find upon the ..
,my music in a really phone call,
You go , to mirage,
I'm a rage, you can ,
,
Papa little told me ,
.. Officer money is a rupe to an evil
No ..in Gucii..wrong people.

Chorus:

How you're feeling, tell me how you're feeling?
How, I gotta make my own,
How you're feeling, tell me how you're feeling?
Now that I make my own, own, own, own, own,
I really don't give a, 'cause I really don' give a,
'cause I did it on my own, yeahhh, yeah, yeah
'cause I did it on my own, yeahhh, yeah, yeah
And I'm chillin' on it like a king
Do my , everything, and I'm chillin', now you're chillin'
,things, I'm a king, do ..my mother ..
and I'm chillin', now you're chillin'
that's the finner things in life.
