[Chorus]

There's no lie in this roof,
It's all right we got you,
You shine like gold
You were by, come to see all the guys
They are crazy, you shine like gold

[Jahron B - Verse 1]

Hey baby,
That's probably my little I, pretty lady
I dream about you and I
Lady and I know this might make no sense
But you're the first girl I met

Baby girl you're shining like a star
Come and give me some of that gold
I can see you shine from afar
I'mma come and give you some love
'cause you know that only you girl
I can't lie in my world, oh no

[Chorus]

There's no lie in this roof,
It's all right we got you,
You shine like gold
You were by, come to see all the guys
They are crazy, you shine like gold

[Jahron B - Verse 2]

Hey baby,
That's probably my little I, pretty lady
I dream about you and I
Lady and I know this might make no sense
But you're the first girl I met.

Baby girl you're shining like a star
Come and give me some of that gold
I can see you shine from afar

I'ma come and give you some love
'cause you know that only you girl
I can't lie in my world, oh no.

[Chorus - x2]
