"Irreplaceable"

Visit "[Irreplaceable](#)" on MotoLyrics.com

I don't wanna seem to be, , got the guts to dream
But baby what you mean to me is everything I want you
to be
And baby if you walk away, I would hurt things ,
Just to know that you're so irreplaceable

Cause you're my desire, you are the fire
That pumps blood through my veins
You're my occupation, girl you are higher
To be my everything
Girl you are so irreplaceable, girl you are so
irreplaceable

Girl you know that you mean a lot to me
Girl I would give you everything to be ,
A corner ,
Girl you are so, are so, irreplaceable
I don't know what you got to party but girl , wait to
I don't know what you got to show but girl , wait up and
forget about
I don't know what you got to ask it's time to wait till i
think about
But one thing that you are is irreplaceable
But I wouldn't change you for a while
Cause you're irreplaceable girl,
Ain't no other Shorty on my mind,
Cause you're irreplaceable, girl
Baby you are my Sunday morning, day and night, rain
or shine,
Girl you're mine
Irreplaceable, oh na na na na na

Oh na na na na na na na na X 3

I don't know what you are thinking back
Probably think that I was wishing bad
Girl , girl, no doubt
Hey, baby girl you know I want you
Everything you got baby girl I got you
And I'm trying to be your man, cause you're
irreplaceable

Baby girl you know I want you all life
And you know that I won't give up
And baby nothing's impossible, and baby girl you're so
irreplaceable
Girl you are so irreplaceable, girl you are irreplaceable

Girl you know that you mean a lot to me
Girl I would give you everything to be ,
A corner ,
Girl you are so, are so, irreplaceable
I don't know what you got to party but girl , wait to
I don't know what you got to show but girl , wait up and
forget about
I don't know what you got to ask it's time to wait till i
think about
But one thing that you are is irreplaceable
But I wouldn't change you for a while
Cause you're irreplaceable girl,
Ain't no other Shorty on my mind,
Cause you're irreplaceable, girl
Baby you are my Sunday morning, day and night, rain
or shine,
Girl you're mine

Irreplaceable, oh na na na na na

Oh na na na na na na na na na X 3
Irreplaceable.
