If you get the peace sign, then.. set you out of my
mind,
So watch for that peace sign,
'cause you're ,,
You get the peace sign,
You get the peace sign.

Chorus:

Ok, then watch upon the peace sign,
Let's coming in the mean time,
Watch upon the peace sign,
It's coming in the mean time, peace sign.
I'm not the only wonder why, hope she's ..,
I'm going .. looking crazy,
No, no, no, no, no
So watch upon the peace sign.
