Cause I don't really really care what they got to say
I'm gonna love my baby girl anyways
I'm not gonna stop loving you girl
I'm there, but I gotta, but I gotta,

Stand stunt stunt on you pretty mamma
I'ma stunt stunt stunt on you pretty mamma say
That I love you baby, oh I love you baby,
yeah I love you baby, but I gotta be ,
Stand stunt stunt on you pretty mamma
I'ma stunt stunt stunt on you pretty mamma say
That I love you baby, oh I love you baby,
yeah I love you baby, but I gotta be ,

Sorry ladies, it's J. B. , speaking to the ladies
Excuse me ladies, I'm thinking maybe
We could go out to eat
Passion show ah
Would it make you wanna come?
, I'm far, baby girl I'm chilling
And if you're willing, we could go large
Because you're so eh, ah, so you need
Baby girl, we could, we could, we could, we could tell
To leave to a , where we come around
Chilling in the city, everything is on me baby girl cause
T.O. is my city
And it don't really matter what they say
Because it's worth the kity cat
Anything that you want throw my way
Baby girl I can catch it

Cause I don't really really care what they got to say
I'm gonna love my baby girl anyways
I'm not gonna stop loving you girl
I'm there, but I gotta, but I gotta,

Stand stunt stunt on you pretty mamma
I'ma stunt stunt stunt on you pretty mamma say
That I love you baby, oh I love you baby,
yeah I love you baby, but I gotta be ,
Stand stunt stunt on you pretty mamma

I'ma stunt stunt stunt on you pretty mamma say
That I love you baby, oh I love you baby,
yeah I love you baby, but I gotta be ,
