Up from the
Embers we rise
No fear on our faces
Down from the silvery skies
We've taken to flight
Burning hot beams from our eyes
They'll never enslave us
Destiny dares us to die in battle tonight

Nightfall has chained the light
Summoned we are saviours
We live to fight, you all will fail
A tyrant with blackened eyes
Standing to engage us, dark battle lines

PRECHORUS:

I am a wrecking ball, my roar is deafening
I'll devastate you all, I'll bring a reckoning
A wrecking ball, my roar is deafening
I'll liberate you and end your suffering

LEAD: BITTERFROST

CHORUS:

Bloodsteel - Bloodsteel - Bloodsteel
Waiting for it's victim!

Power it flows
Through our veins
Like living lightning
The landscape is littered
With fire as it falls from the sky
Such venomous violence
And rage we are inciting
Mountains are rendered to dust
In the blink of an eye

I am a wrecking ball, my roar is deafening
I'll devastate you all, I'll bring a reckoning
A wrecking ball, my roar is deafening
I'll liberate you and end your suffering

SOLO: GARCIA

CHORUS:

Bloodsteel - Silver and red!
Bloodsteel - Alive and dead!
Bloodsteel- Off with your head!
Waiting for it's victim!
Bloodsteel - Immortal and wise!
Bloodsteel - Saviour of lives!
Bloodsteel - The perfect device!
Save you from this prison!

SOLO: BITTERFROST

Our tyranny towers forever gleaming like twilight
Oblivion swiftly surrounds the dreams of the damned

RPEAT 2ND VERSE, PRECHORUS & CHORUS
Once concealed, Now revealed, The fallen kneel

I am A WRECKING BALL!
