Hey, what's going on man?
Not much, I just got out of rehab a couple hours ago...
Out of rehab!? Man, you look high as hell!
Hey, forget you man! Anyway, you got a cigarette?
Uuuuuuum, a CIGARETTE?

Kick rocks
Kick rocks
Kick rocks
Kick rocks
Kick rocks
Kick rocks
Kick rocks, mother fucker!
Kick rocks!

Oh, man! Chris, what's going on, man? How you been?
Oh, you know... just playing a gig tonight.
Yeah, yeah, I was gonna say, uhh... could you get me
on the list tonight?
I guess I could give you a +1 or something...
Yeah, okay, yeah. Sweet! Well, I've got a couple more
people with me man, do you think you could hook it up?
Oh... what do you need?
Let's see, I've got me, I've got Suzy... (you've gotta be
kidding me...)
Can I get a +6?
Uuuuuuuuuuuuuuh...

Kick rocks
Kick rocks
(Yo what the fuck do you mean kick rocks, man?)
(It means take a fucking walk)
Kick rocks
Kick rocks
Kick rocks, mother fucker
kick rocks!

I'm sorry I really need to take this... Hello?
Oh hey mom, what's going on?
Oh you know, the usual, not much. How you doing?
Are you serious? Are you okay?

Hey, I'm sorry to hear about that mom, but uh look, I'm
kinda busy right now
Help you move furniture!?
You're kinda breaking up...
Can you hear me!?
MOM!?!?!?

Kick rocks
Kick rocks
Kick rocks
Kick rocks
Kick rocks
Kick rocks
Kick rocks, mother fucker!
Kick rocks!

Leggo my megalomania!
