Listen to the sound
Of their final heartbeat
Pleading from the ground
As they lie at my feet
Listen to the crowd
Growing louder, raging on
I walked the path alone
That's the way I liked it
I kept a heart of stone
Just in case they'd knife it
But I put the heathen down
Now the crown's upon my head!

Cast out of shadows and hell
I'm drawn into conflict
Evil falls from the blade of my knife
Nothing worth keeping alive
On this wretched wreck of a world
Darkness dawns on all who survived

PRECHORUS:

Bate them, bathe them in fire
Bathe them in fire
And hail to the gods of twilight
Raze them all who defy us!
Those who oppose us
Will know I am the divine!

CHORUS:

Millions are calling my name
The king of the wasteland
This tyrant was born out of pain
Sending them falling
The king of the wasteland
My enemies rot in their graves

A madman with emerald dreams
So he decreed it
Burnt it black
Extinguished all life
Out from the caves and the caverns
Only the strong could ever survive

Take it back
What's left of mankind

REPAT PRECHORUS/CHORUS

SOLO: GARCIA/BROGDEN

REPEAT CHORUS

Humanity's sanity is nowhere in sight
Brutal days and hot desert nights
Cloaked and killing with speed
The wrecker's legend lives on
Take the throne, it's my very right!

REPAT PRECHORUS
