Temperature's Rising

Oh my god, did you hear what i said to you?  
Oh my god, did you hear? did you hear me?  
Don't know why, why i said what i said to you.  
Don't know why, no i don't know why, why.

Temperature's rising, tell me can you feel the heat.  
Try to overtake me, baby do you feel the beat.  
Hittin up on my cell phone, when you take me back home.  
Quivering (Shivering) Quivering.

Blowing kisses my way,  
I know your wanting to say,  
that you really want me.  
Put your foot on reverse,  
we gotta get out of here,  
before we get in danger, danger.

Oh i say, back it up, back it up a bit,  
Uh-oh i say, baby oh i say.  
C-Come and play, if you wanna learn a little bit,  
C-Come and play, baby come and play.

Temperature's rising, tell me can you feel the heat.  
Try to overtake me, baby do you feel the beat.  
Hittin up on my cell phone, when you take me back home.  
Quivering (Shivering) Quivering.

Blowing kisses my way,  
I know your wanting to say,  
that you really want me.  
Put your foot on reverse,  
we gotta get out of here,  
before we get in danger, danger.

Hello?  
I see ringing on my cell phone, cell phone.  
Uh-oh!  
We're gettin naughty, gettin horny, gettin saucy, yeah.

Blowing kisses my way.  
Your playing dangerously.  
I know your looking at me,  
and i really like it.  
You will know, so....

Blowing kisses my way,  
I know your wanting to say,  
that you really want me.  
Put your foot on reverse,  
we gotta get out of here,  
before we get in danger, danger.

Blowing kisses my way,  
I know your wanting to say,  
that you really want me.  
Put your foot on reverse,  
we gotta get out of here,  
before we get in danger, danger.
