[Spoken:] One two three four five six
There was a guy, and his name was Johnny B. The
loudest man in the land

Alright
Ok
Alright
Ok
Alright
Ok
Uh huh

How many more times you cross the line
Run for days with eager eyes
Screaming smile left alone
These crazy things you do
In the forest of your mind
Haunted by the loss of time
Feet stuck frozen in the snow
These crazy things you do

Shame
Shame
Shame
Oh oh oh

Shame
Shame
Shame
Oh oh oh

Alright
Ok
Alright
Ok
Alright
Ok
Uh huh

Japanese from head to toe
Red to green, green to gold
Waiting on that buffalo

These crazy things you do

These crazy things you do

Shame

Shame

Shame

Oh oh oh

Shame

Shame

Shame

Oh oh oh

Run it over my skin like a cheap plastic knife

In your heart and in your mind put me

Always aside

Do it over and again till it cuts to the bone

We can play by the rules or just

Leave it alone

It's a shame

It's a shame

It's a shame

That your heart has turned to stone

Now your heart's turned to stone

Run it over my skin like a cheap plastic knife

In your heart and in your mind

Put me always aside

Do it over and again till it cuts to the bone

We can play by the rules

It's a shame

It's a shame

It's a shame
