Home sweet home
Always on the rode
Chasin' gold, fool's gold
Ain't nothin' left but bones

I don't wanna spend another lonely night
Walkin' round this world wihtout you by my side
In the corner of the room I see you standing all alone
Every single time that you're next to me
Oh, I can testify it takes the breath from me
I think it's safe to say it's been too long

Gone
On my way to Rome
Far from home sweet home
Like to cut me to the bone

I don't wanna spend another lonely night
Walkin' round this world wihtout you by my side
In the corner of the room I see you standing all alone
Every single time that you're next to me
Oh, I can testify it takes the breath from me
I think it's safe to say it's been too long

Ooooh (x4)

I don't wanna spend another lonely night
Walkin' round this world wihtout you by my side
In the corner of the room I see you standing all alone
Every single time that you're next to me
Oh, I can testify it takes the breath from me
I think it's safe to say it's been too long
