(Jaimeson)
(Angel Blu)
(CK)
(Come on!)

Like the way that we're bumpin tell you somethin feelin
good inside
Its the way I was movin
No illusion when I caught your eye
Allow me to mention my intention that's in store for
you,
Just turn out the light,
Get ready tonight,
I'll show you what to do

[Chorus]
You make me feel good, so good,
Real, real good,
You make me feel good, so good,
Real, real good,
So

Take control let it flow
Ay ay ay ay
Hit me low nice an' slow
Ay ay ay ay
Make it beat till I'm weak
Say ay ay ay ay
Let your body speak to me
Ay ay ay ay

Can i make a confession, there's a question that i have
to ask,
Can we take it slowly, get to know me or just make it...
So open the door, come in for more, if you can take the
heat,
Yeah that one's for me, so jus' let me be your private
fantasy

[Chorus]
You make me feel good, so good,
Real, real good,

You make me feel good, so good,
Real, real good,
So

Take control let it flow
Ay ay ay ay
Hit me low nice an' slow
Ay ay ay ay
Make it beat, till I'm weak,
Say ay ay ay ay
Let your body speak to me
Ay ay ay ay

[Chorus]
You make me feel good, so good,
Real, real good,
You make me feel good, so good,
Real, real good,
So

Take control let it flow
Ay ay ay ay
Hit me low nice an' slow
Ay ay ay ay
Make it beat, till I'm weak,
Say ay ay ay ay
Let your body speak to me
Ay ay ay ay

(Break it down)
Switch, J-A-I-M-E-S-O-N
I don't stop I just keep goin
You didn't know it was me who was makin them hits
Selecta, true, complete, now this
Listen up close as I increase the bowls and I'm raisin up
your pulses
The maximum, lay it on ya real simple
Keep it nice 'n' clear
From my pen to the mic I'm straight to here

That's how we do

Jamie be two

Take control let it flow
Ay ay ay ay
Hit me low nice an' slow
Ay ay ay ay
Make it beat, till I'm weak,
Say ay ay ay ay
Let your body speak to me

Ay ay ay ay

Take control let it flow

Ay ay ay ay

Hit me low nice an' slow

Ay ay ay ay

Make it beat, till am weak,

Say ay ay ay ay

Let your body speak to me

Ay ay ay ay
