(oh come on!)

Like the way that we're bumpin tell you somthin feeling
good inside,
It's the way i was movin',
No illusion when i caught your eye,
Allow me to mention my intention that's in store for
you,
Just turn out the light,
Get ready tonight,
I'll show you what to do,

CHORUS

You make me feel good, so good,
(so so)
Real, real good,
You make me feel good,so good
(take control let it flow hit me low)
Real, real good,
(till am weak,Let your body, speak to me)

So

Take control let it flow
Ay ay ay ay
Hit me low, nice an' slow
Ay ay ay ay
Make it beat, till am weak,
Say Ay ay ay ay
Let your body, speak to me
Ay ay ay ay

Can i make a confession, there's a question that i have
to ask,
Can we take it slowly, get to know me or just make it...
So open the door, come in for more, if you can take the
heat,
Yeah that one's for me, so jus' let me be your private

fantasy.

You make me feel good, so good,

(so so)

Real, real good,

You make me feel good,so good

(take control let it flow hit me low)

Real, real good,

(make it good like you should, talk to me)

CHORUS X2

Take control let it flow

Ay ay ay ay

Hit me low, nice an' slow

Ay ay ay ay

Make it beat, till am weak,

Say Ay ay ay ay

Let your body, speak to me

Ay ay ay ay

(Break it down)

Switch J-A-I-M-E-S-O-N,

i won't stop , i jus keep going,

You didn no it was me who was makin them hits,

selecta, true, complete, now this,

listen up close as i increase the bols an am raisin up

your pulses, three maximum, lay it on ya real simple,

keep it nice n clear, from ma pen to the mic i'm straight
to here.

(thats how we do)

Take control let it flow

Ay ay ay ay

Hit me low, nice an' slow

Ay ay ay ay

Make it beat, till am weak,

Say Ay ay ay ay

Let your body, speak to me

Ay ay ay ay
