Put me in the mood tonight  
The hour's racing, so take it slow  
I know you watch me  
Cuz I can feel it'  
You and your cold stare

When I gaze at the clock  
And it's 12:34, I make a wish  
Make a wish...  
Said, when it's 12:34  
And the world is not enough  
Let's make a wish  
Make a wish, yeah

Want to feel your body  
Before the time comes  
So take it slow  
I know you want me  
Cuz I can feel it  
And I'm waiting for you

When I gaze at the clock  
And it's 12:34, I make a wish  
Make a wish...  
Said, when it's 12:34  
And the world is not enough  
Let's make a wish  
Make a wish, yeah

I'm counting down the minutes  
And the minutes turn into seconds  
You better come hurry up  
Said, you better come hurry up  
See your face before I struggle  
Cuz the night has come so subtle  
Make a wish, let's make it yeah...

Nebula, wormhole, circle, ajar  
Void, cluster, bang, radiation  
Life, cycle, survival  
Infinity for me...

Infinity for us...

Yeah.
