Mad Child

Just trust my lust it's like a high school crush,
Sometimes awkward much to offer turquoise aqua Mad
Child talkn' nice,
Cherry pepsi cola ice face her lips control my life,
Eyes look beautiful tonight I'll get through to you so
fun,

Prevail

One heart some of them break some of them broke
mine time won't wait,
Fatal attraction loss of breath major distraction lots of
stress,
We different, you discovered me, made me unselfish
help me understand why I left the girls helpless,
scorpio evil private nature I'll let you inside no signs of
danger

Jakalope

I start to press my skin to you
I'm craving it
I'm feeling you
Will you relieve me fast
Feast your eyes on my display
Take control
Fall over me
Cover me in ecstasy

Let me ride to heaven
Let me feel the swelling
Oh let me concentrate

I can feel it
When I taste
Life and when
I breathe
Crawling inside of me baby
Oh oh oh

Mad Child

I said run it's no fun to be my only one cause,

I'm mean when I drink im like a loaded gun,
You don't want me to buy you diamond and pony,
Make me stay at home make you feel like you own me,
Don't pat my back that's phony im not Mr. Nice Guy
truth hurts cuts like a knife right, runnin for your life
that's my final announcement or you can hang around
and I can pay for counclin

Prevail

Control freak speak in dialect twisted contored bent
back as perfect,
Hold on slow song pump the speaker box,
Body language slang and I could read your thoughts,
Face of an angel don't make this painful,
Beautiful exchange the night is gracefull,
Wait til the sun come up then repeat it,
Prev make you curios I know you can feel it

Jakalope

Watch the way my body moves
Feel the rhythm melting you
Mmm this is how it should be
Crawl over you
I'll dominate
Your destiny
I'll be your faith
I will be your fantasy

Let me ride to heaven
Let me feel the swelling
Oh let me concentrate

I can feel it
When I taste
Life and when
I breathe
Crawling inside of me oh baby
Oh oh oh

If I've fallen in love with the soul
If I've fallen in love with myself
I'll take it all in one time

I can feel it
When I taste
Life and when
I breathe
Crawling inside of me baby
Oh

I can feel it

When I taste
Life and when
I breathe
Crawling inside of me baby
Oh oh oh
