Gone too far, left my soul to stay
My revenge takes a stand
Here I am, in my darkest of days

Sweet avenge, there you are
Gone too far, left my soul to stay
My revenge takes a stand
Here I am, in my darkest of days

So much I can't reach above

This can't be contained
With all that remains

Sweet avenge, there you are
Gone too far, left my soul to stay
My revenge takes a stand
Here I am, in my darkest of days

These are dark times
