Find comfort in the unknown  
Making friends with a foe  
Come and get me lets go  
Walk down a blinding road  
Where light makes fast  
Go slow

Catch the world sleeping in  
Go devour it whole  
Every smile  
Every confusion  
Just go on, go on, go on

Dive into a photobooth  
Snap it for Japan, yeah oh  
Crawl in to a corner, and creep into

The upside down  
I've been breakin baby  
Turn me down  
I've been shakin lately

Take a little time  
Would you mess around my mind  
You just trip, trip, trip  
And I...

Never seen so much light  
As when it hits the midnight  
Look strangers in the eye  
Until it goes out of style  
What do you think you know.  
Dive in to a corner, and creep into

The upside down  
I've been breakin baby  
Turn me down  
I've been shakin lately  
Take a little time  
Would you mess around my mind  
You just trip, trip, trip

And I fall

You just trip, trip, trip  
And I fall [x2]

Go!

Upside down  
I've been breakin baby  
Turn me down  
I've been shakin lately  
Take a little time  
Would you mess around my mind  
You just trip, trip, trip

Upside down  
I've been breakin baby  
Turn me down  
I've been shakin lately  
Take a little time  
Would you mess around my mind  
You just trip, trip, trip  
You just trip, trip, trip

Hey! [x8]  
Ichi!  
Ni!  
San!  
Shi!

Upside down  
I've been breakin baby  
Turn me down  
I've been shakin lately [x2]

Upside down  
(Ever morning brings old to new)  
I've been breakin baby  
Upside down  
(ever time i want to go)  
I've been shaking lately  
Turn me down  
(Ever morning brings old to new)  
I've been breakin baby  
Upside Down  
(every time i want to go)  
I've been shakin lately
