Oh---

VERSE ONE:

Nothing to say, so far away

Talking to you

You say I can never understand

What you've been through, oh---

(You can't go on) You can't go on like this anymore

(That's what love is for) Don't you know that

That's what love is for

CHORUS ONE:

Like an arrow through your heart

Like a fire in the dark

We are an army of love

We are not the enemy

We are here to set you free

We are an army of love

VERSE TWO:

So stay on the line, you know that I

Can be here for you, oh---

Love is on the way, you can feel that change

Is happening to you, yeah---

(Don't be afraid) Don't be afraid to just

Let love invade your soul

(Time to let it go) Don't you know it's time to let it go

(repeat chorus one)

CHORUS TWO:

Over land and over sea

Taking over you and me

We are an army of love

You've got to open up your heart

Don't you know that you're a part

Part of the army of love

Oh---

C'mon

(repeat chorus one)

(repeat chorus two)

Oh yeah---

We are an army of love

We are not the enemy

We are here to set you free

We are an army of love
