Things never happen like i wish they could  
Only in my dreams  
I've never been willing to give up my heart  
Or let myself believe  
I have been waiting all of my life  
Just for tonight  
This time i'm hoping, holding out for you  
To let me see the light  
So make me a believer for once in my life  
Right here and now touch me somehow  
Let it be tonight  
It's all on the line, i'm down on my knees  
I don't know how but i'm ready to see  
Clear every shadow of doubt in my mind  
Cuz i want to believe  
I've been sitting here  
Staring at the rain all alone tonight  
Something about you is making me smile  
With tears in my eyes  
Maybe you noticed, maybe you can tell  
What's happening to me, yeah  
When you say my name  
Touch my heart again  
It's making me believe  
So make me a believer for once in my life  
Right here and now touch me somehow  
Let it be tonight  
It's all on the line, i'm down on my knees  
I don't know how but i'm ready to see  
Clear every shadow of doubt in my mind  
Cuz i want to believe  
Why can't this be  
One of the times  
When i can see  
With open eyes  
Shine your light  
I'll never forget for the rest of my life  
So make me a believer for once in my life  
Right here and now touch me somehow  
Let it be tonight  
It's all on the line, i'm down on my knees

I don't know how but i'm ready to see  
Clear every shadow of doubt in my mind  
Cuz i want to believe
