Oh---

VERSE ONE:

Sometimes I want to run and hide
To be completely out of sight from You
You keep calling out my name
Sometimes I think I'm just like Cain
My offering is not the same to You

CHORUS:

Then I remember Jesus came
To save a wretch like me
(He came to save a wretch like me)
Yes, He came so that I might finally be
(He came so I could finally be)
Free

VERSE TWO:

Sometimes it's hard to comprehend
That I have finally found a friend in You
You keep calling out my name
Sometimes on days when I don't care
You whisper softly in my ear I'm free
(repeat chorus)

'instrument break'

Oh---

Free

Oh---

(repeat chorus)

Oh---

(He came to save a wretch like me)

And, oh, I'm free, yeah---

Oh---

(He came so I could finally be)

Free

Oh---

(He came to save a wretch like me)

(repeat and fade)
