VERSE ONE:

Your love follows me around
It brings me to my knees
It leaves me wanting more

CHORUS ONE:

And now I see
I need You every hour
I know I need You now
More than I ever needed You before

VERSE TWO:

Your love sees inside my heart
No matter where I am
It sees the deepest part of me
Oh, oh no, don't ever let me go
(Never let me go)

Just don't let me forget
Right now is when I need You most
(repeat chorus one)

CHORUS TWO:

And even though I may lose sight of You
You never left my side
You carried me, yeah---

BRIDGE:

My selfish heart is blind to see
Forgetting how You carried me
It drifts away the vain pursuit
Of things that have no part in You
Break through the darkness of my mind
And shine Your love so I can find You now
Reach out Your hand and bring me back
(repeat chorus one)

CHORUS THREE:

And oh, I pray, when I lose sight of You
Don't ever leave my side
Reach out Your hand
And bring me back to You
Oh---
Bring me back to You
