Don't worry Baby  
I won't go away  
Can't you feel it in the way that I tell you  
That I'm here to stay  
Don't worry Darling  
It ain't no lie  
Can't you tell by the way that I love you  
Love is so alive

CHORUS:

I won't take my heart away  
Baby I'm here to stay  
I only want to hear you say  
Hear you say you love me  
Don't take your heart away  
Tell me everything's okay  
I only want you here beside me  
Listen to me Baby  
I've got to let you know  
Can't you tell by the way I hold you  
I'll never let you go  
Let me tell you Darling  
This love will survive  
Can't you feel it when I say I love you  
That it feels so right

CHORUS:

I won't take my heart away  
Baby I'm here to stay  
I only want to hear you say  
Hear you say you love me  
Don't take your heart away  
Tell me everything's okay  
I only want you here beside me
