Verse One:

Creeping the doors all by myself,  
Shadows and light, my only help.  
Holes all around keep me falling in.  
No matter how hard I try, I can never win.

Pre-Chorus:

Hold the calls late at night,  
Dry those tears, it'll be alright.  
Give it up, don't try to fight.  
Good night, sleep tight.  
Turn your back, against the wall.  
Walk away, you gave your all.  
Start to climb before you fall.  
Good night, sleep tight.

Chorus:

Witness  
(Can I get a) Witness?  
(Can I get a) Witness?  
(Can I get) Someone who sees me.  
Witness  
(Can I get a) Witness?  
(Can I get a) Witness?  
(Can I get) Someone who knows me.

(Witness) Can I get a hand to hold  
Not another night alone.  
(Witness) Something I can call my own.  
(Witness) Can I get a hand to hold  
Someone I can call my own.  
(Witness) Am I meant to be alone?

Verse Two:

Giving everything that money can't buy.  
Watch it fly away, in front of your eyes.  
Everything's the same, and nothing can change.  
When no one's left around, there's only one to blame.

Pre-Chorus:

Turn your back, against the wall.

Walk away, you gave your all.  
Start to climb before you fall.  
Good night, sleep tight.  
Hold the calls late at night,  
Dry those tears, it'll be alright.  
Give it up, don't try to fight.  
Good night, sleep tight.

Chorus:

Bridge:  
Suddenly, my heart's grown colder.  
Suddenly, I'm feeling older.  
Suddenly, the time goes faster.  
Somebody find me someone.  
\*x2\*

Can somebody find me someone!  
(Witness, witness, wit-, wit-, wit-, wit-, wit-, wit-wit-wit-  
wit-wit)  
Someone help me!

Chorus:

(Witness) Can I get a hand to hold  
Not another night alone.  
(Witness) Something I can call my own.  
(Witness) Can I get a hand to hold  
Someone I can call my own.  
(Witness) Am I meant to be alone?
