Yea oh.

I started this song at 2am
On a lonely sunday night
I wanna make things easier
I wanna make things right
I'm hungry for a midnight snack you know
Yea, I'm hungry for you
My kitchen's closed girl yea I know
So what's this boy to do

You are everything
You're everything I hoped for
You are everything
You're everything I need

When tomorrow comes
Will you be there?
Should I even try?
Do you even care?

Do you know how far I go
Just to keep the pain from you
Oh girl.
I'll do anything for you.

Yea oh.

Been watching you sleep for a night or two
And I know I'm on your mind
I see it in your eyes
You know, it's running out of time
I talked to you for hours without saying a word
Here's the best love song that I ever wrote
Hope it's the best you've ever heard

You are everything
You're everything I hoped for
You are everything
You're everything I need

When tomorrow comes

Will you be there?
Should I even try?
Do you even care?

Do you know how far I go
Just to keep the pain from you
Oh girl.
I'll do anything for you.

When tomorrow comes
Will you be there?
Should I even try?
Do you even care?

Do you know how far I go
Just to keep the pain from you
Oh girl.
I'll do anything for you.
