Give me a second I,  
I need to get my story straight  
My friends are in the bathroom getting higher than the  
Empire State  
My lover she's waiting for me just across the bar  
My seat's been taken by some sunglasses asking bout  
a scar, and

I know I gave it to you months ago  
And I know you're trying to forget  
But between the drinks and subtle things  
The holes in my apologies, you know  
I'm trying hard to take it back  
So if by the time the bar closes  
Will you feel like falling down  
I'll carry you home

Tonight  
We are young  
So let's set the world on fire  
We can burn brighter than the sun  
[X2]

I know that I'm not  
All that you got  
I guess that I, I just thought  
Maybe we could find new ways to fall apart  
But our friends are back  
So let's raise a glass  
'Cause I found someone to carry me home

Tonight  
We are young  
So let's set the world on fire  
We can burn brighter than the sun  
[X2]

Carry me home tonight (Nananananana)  
Just carry me home tonight (Nananananana)  
Carry me home tonight (Nananananana)  
Just carry me home tonight (Nananananana)

The world is on my side  
I have no reason to run  
So will someone come and carry me home tonight  
The angels never arrived  
But I can hear the choir  
So will someone come and carry me home

Tonight  
We are young  
So let's set the world on fire  
We can burn brighter than the sun  
[X2]

So if by the time the bar closes  
Will you feel like falling down  
I'll carry you home tonight
