Chain  
by Mind The Gap

I am sick and tired of confronting all those lone lies  
Whoa  
I am sick and tired of confronting all those lone lies  
Whoa

When you're on your own  
When you're too much alone  
Goodbye  
We're too much the same  
I'm off to where no one has to say  
Goodbye  
There's always a chain  
A link into what went on yesterday

Haunted by the messages that cloud your dreams and  
say follow me  
Haunted by the messages that cloud your dreams and  
say follow me

When you're on your own  
When you're too much alone  
Goodbye  
We're too much the same  
I'm off to where no one has to say  
Goodbye  
There's always a chain  
A link into one-way not yesterday

Being looked down as you're put down  
No one understands but you do  
Being looked down as you're put down  
No one understands but you do

When you're on your own  
When you're too much alone  
When you're on your own  
When you're too much alone, too much alone  
Goodbye

We're too much the same  
I'm off to where no one has to say  
Goodbye  
There's always a chain  
A link into one-way not yesterday

Goodbye (when you're on your own)  
We're too much the same  
I'm off to where no one has to say  
Goodbye (when you're on your own)  
There's always a chain  
A link into one-way not yesterday, yesterday
