I watch you leave
I watch gather your things
Fears with greed
Magnetic dreams

I'm not asking to be low low low
You don't see what I see, what I see
listen to my echo (echo)
And turn around for me for me

And I know it's ok
I'm standing right where you are
You own my crying shoulder
I'm not going far
And I know it's ok
I'm standing right where you are
You own my crying shoulder
I'll send you pieces of my heart

It's a wide world out there
Dont be too narrow and dont be square
Show me how you do it
like you do it around here

I'm not asking to be low low low
You don't see what I see, what I see
Listen to my echo (echo)
And turn around for me for me

And I know it's ok
I'm standing right where you are
You own my crying shoulder
I'm not going far
And I know it's ok
I'm standing right where you are
You own my crying shoulder
I'll send you pieces of my heart
Woah

Slide down your future staircase
Keep all your memories and tie them up with lace

I'm not asking it to be low low low
You don't see what I see what I see
Listen to my echo (echo)
And turn around for me

And I know it's ok
I'm standing right where you are
You own my crying shoulder
I'm not going far
And I know it's ok
I'm standing right where you are
You own my crying shoulder
I'll send you pieces of my heart
