You are the reason of  
You are the one I love  
And will forever you give lubination  
You stare at me at night  
You give me such a fright  
Your on my mind all the way to the destination

It's all because of you and your tempation  
I wanted you to know that your my inspiration

Begin to sin  
Start my mind on procrastination  
A bottle to hold on  
And stand up for my nation  
We try to blind  
You stop us from  
Should I keep going on  
Oh whats your indication

Your poster on the wall  
The one that starts the fall  
The single thing that corrects the mediation  
You lift me to the clouds  
You bring me to the crowds  
Woah your the light on my name that gives reputaution  
You aint all liek them you give jepradation  
I wanted you to know that your my inspiration

Begin to sin  
Start my mind on procrastination  
A bottle to hold on  
And stand up for my nation  
We try to blind  
You stop us from the succussion  
Should I keep going on
