Where's that smile?  
I hope you didn't lose it.  
Every now and again,  
And wear it once for me.

Sure, I know,  
It's been some time between us,  
But I had to stand out some,  
To get the room to see.

But it's all right now,  
Hold on tight now.  
I'll be stayin',  
I won't go.

Don't you cry now,  
We can try now.  
Just takes some distance to know...

So close,  
We almost couldn't make it.  
So close,  
But it looks like we're alright.

So close,  
I almost couldn't see you.  
So close,  
But it looks like we're alright.

What a day,  
I remember it was even rainin',  
And as soon as I'd say goodbye,  
I didn't wanna leave.

One last look,  
You could see my eyes were askin',  
I could feel yours,  
Pullin' at my sleeve.

But it's alright now!  
Hold on tight now!  
I'll be stayin'.

I won't go!

Don't you cry now.  
We can try now!  
Just takes some distance to know...

So close,  
We almost couldn't make it.  
So close,  
But it looks like we're alright.

So close,  
I almost couldn't see you.  
So close,  
But it looks like we're alright.

Alright!  
Alright.
